MAIN BENEFITS

ENHANCING PROFESSIONAL KNOWLEDGE AND SKILLS:
Provide advanced education and training in specialized areas and keep professionals up-to-date with the latest trends, technologies, and best practices in the industry.

INCREASING CREDIBILITY AND TRUST:
Demonstrate a commitment to professional development and excellence, which can build trust with clients, colleagues, and employers, and distinguish oneself from competitors by showcasing expertise and a higher level of professionalism.

MAINTAINING ETHICAL STANDARDS:
Promote adherence to high ethical standards and professional conduct, ensuring that designees operate with integrity and in the best interests of their clients, and reinforce the importance of ethical behavior in the real estate industry, which can lead to a better overall reputation for the profession.

FACILITATING CONTINUING EDUCATION:
Encourage ongoing learning and development, often requiring designees to complete continuing education courses to maintain their designation, and ensure that professionals remain knowledgeable about changes in laws, regulations, and market conditions.

The FIABCI designation is an excellent opportunity for real estate professionals who look to be recognized throughout the industry, in addition to attaining specialized knowledge.

Oxford Future Of Real Estate Program

The way we invest in, manage and complete real estate transactions is rapidly evolving.

Building resilience in real estate investments has become key to staying ahead of the curve, but to do so, investors and professionals in property management and development need to know what the future looks like. This program examines the current real estate landscape, along with the forces set to shape its future. Participants will learn to determine the value of investment opportunities using appraisal techniques and analyze the shifting nature of commercial real estate.

This 7-week program has been designed for leaders and experienced professionals in the property, engineering, construction, finance and trade industries, the program content will give Participants a broader holistic view of the industry.

DETAILED PROGRAM

"

We are pleased to announce our partnership with the International Real Estate Federation (FIABCI) and the Eye of Riyadh. FIABCI is the world's largest global federation of real estate networks and associations. Our online, six-week Future of Real Estate Programme will be offered as part of FIABCI's Certified Global Real Estate Professional (FCPI). The programme will incorporate our research and provide advanced education and specialised knowledge to real estate professionals. We look forward to the partnership.

Soumitra Dutta, Peter Moores Dean & Professor of Management, Saiid Business School, University of Oxford

"

Everything requires a strong foundation. That is why we invest first and foremost in human resources, who are the cornerstone of strong and vibrant real estate sector.

By adopting an attitude of continued learning, we empower professionals with the spirit of continued growth - both on an individual and sectoral level. Rooting the seeds of prosperity from the ground up. It is that foundation that will give way to the blossoming real estate sector, innovative technologies and forward-thinking attitude needed to build vibrant societies, thriving economies and ambitious nations... not only for Saudi Arabia, but the world.
