Federation** presents:

Oxford Future of Real Estate Programme

The Oxford Advantage

To thrive amid global megatrends, industry professionals must evolve, embracing innovation and resilience in their investment and management strategies. The Oxford Future of Real Estate Programme, offered by Saïd Business School at the University of Oxford, is your gateway to mastering these changes.

This comprehensive six-week programme integrates theory, practice, and cutting-edge innovations, empowering participants to astutely evaluate development and investment opportunities, ensuring they stay ahead of the curve.

Embrace the Future with Unwavering Confidence

Position yourself at the forefront of an evolving industry, equipped with the knowledge and skills to build a resilient real estate portfolio and make informed, strategic decisions in a rapidly changing landscape.

Unlock a World of
Opportunities

MR. ANDREW BAUM,

DIRECTOR OF THE OXFORD
FUTURE OF REAL ESTATE INITIATIVE
AT SAÏD BUSINESS SCHOOL.

Oxford Future of Real Estate Programme

“A unique insight into a process of radical change now underway in the global markets. This encompasses capital markets, the housing market, commercial real estate, development, and proptech.”

“Everything requires a strong foundation. That’s why we invest in people, empowering them with the growth skills and a forward-thinking attitude that give way to a strong and vibrant real estate sector worldwide.”

MR. ABDULLAH AL HARBI,

FIABCI Saudi Arabia President
CEO Eye Of Riyadh

The Oxford Future of Real Estate Programme

One Milestone at a Time

"Mr. Abdullah Al Harbi, CEO of Eye of Riyadh and FIABCI Saudi Arabia President, and Ms. Louise Croft, Managing Director of Executive Education at Oxford University, during the contract signing in Oxford, United Kingdom."
